AMENDMENT

Mail Stop - Amendment Commissioner for Patents P. O. Box 1450 Alexandria, VA 22313-1450

Dear Sir:

Applicant timely filed a Request for Continued Examination on January 22, 2007. Applicant filed a preliminary amendment with the RCE.

The Examiner, in the Office Action mailed April 19, 2007, acknowledged that the RCE and fee were timely filed, but indicated that the RCE was not fully responsive since Applicant did not indicate whether new claim 70 was readable on the elected species.

Applicant submits that all of the pending claims are readable on the elected species, including new claim 70. Since it is not clear to Applicant whether the amendments to the claims were entered when the RCE was originally filed, Applicant has resubmitted the claim amendments

and also resubmitted the arguments regarding the patentability of the pending claims.
